

SENIOR PRESERVED FOODS

All entries in these Divisions must be home prepared and canned or packaged by the exhibitor within one year of the opening date of the fair. Items which have been shown at any previous fairs are not eligible. All products being considered for the cash awards which have not otherwise been eliminated from consideration will be opened.

STANDARD JAR: A container specifically or specially designed for canning purposes. No paraffin seals.

Non-acidic foods - all vegetables, meats, poultry and fish must be canned under pressure, low-acidic fruit, such as figs, should be made more acidic by adding lemon juice, as directed in the University Agricultural Extension Service Leaflet, "Home Canning of Fruits".
